

## 2012 LOS ANGELES COUNTY SCIENCE OLYMPIAD

Saturday, February 25, 2012 • Occidental College

### REGISTRATION GUIDELINES

Thank you for your interest in the Science Olympiad! 2012 Science Olympiad Registration will occur on-line via a link on the regional website. This registration information is provided for your reference - additional information is available on-line at the website listed below. Space is limited; team registrations are accepted on a first-come, first-registered basis. Each school may send one team of fifteen students. There is not available space for multiple teams from a school. Your Coaches Manual will be sent after on-line registration is completed and your payment and Guarantee of Insurance forms are received. Registration deadline is Friday, November 18, 2011.

#### Membership Fees

Participation in the regional Science Olympiad includes membership in the National and State Science Olympiads as required. Fees cover the cost of the development of the events and publication of the Coaches Manuals, tournament medals, trophies, and plaques, insurance, event materials, and the infrastructure requirements of the events and host venue. Teams may not participate in the regional tournament without membership in the state and national organizations.

**Junior and Senior Divisions (B & C)      \$355.00**

**Elementary Division (A)                      \$320.00**

#### Registration

Complete the on-line Registration Application form. Send a check or money order payable to "Science Olympiad," along with the completed Guarantee of Insurance form signed by your school principal. This form is available for download on the website. No purchase orders are accepted. Mail payment and paper documents to:

Los Angeles County Science Olympiad  
c/o Gary Widdison, Los Angeles County Office of Education, CIS Room 242  
9300 Imperial Highway, Downey, CA 90242

#### Volunteers

One ADULT volunteer for every 5 students entering the competition must assist on the day of the Science Olympiad. Assignments are generally 2 – 3 hours in duration. Team points will be deducted if a team does not supply its share of volunteers. A roster of volunteers is required, submitted the day of the Science Olympiad.

#### Guarantee of Insurance and Participation Releases

The school principal must sign the completed Guarantee of Insurance Form. Other release and participation forms will also be required and must be submitted the day of the Science Olympiad. These forms will be available on the regional website.
